LIFE OF KYLIE

Half-sister gives Kim Kardashian a super-nude run for her money!

APART from being Kim Kardashian's half-sister and INSANELY FAMOUS, we don't really know EXACTLY what **Kylie Jenner** does.

But we're not alone – Kylie Jenner probably doesn't know what Kylie Jenner does, either.

All we can tell you is what the 20-year-old reality TV star has:

- 97 million Instagram fans
- $51 million in earnings from last year
- Two mums
- Her own teevee show
- A $15m mansion, AND
- TWO PERFECT PLUMPERS appearing in the latest *V Magazine*.

"That was actually my first super-nude shoot," Kylie told the fashion rag. "I always post sexy pictures, but I've never really gone nude."

Until now! And we'll be forever grateful.

CA'S N-UNDER BUT!

A naked picture tells a thousand words

PHOTOS BY ADAM TURNER PHOTOGRAPHY

IF WE were writing a feature about the layered sheet mineral known as mica, then we could tell you loads of things about it (thanks, Year 12 Geology). And if we were talking about UK singer Mica Paris, we'd WOW you with a ton of facts (all stolen from Wikipedia, if we must be honest).

But we're not. Instead, we're discussing newbie naked pin-up **Mica** and, frankly, we know sweet FA about the stunna. Here's what we DO know. She

- Hails from England
- Has an array of very interesting tattoos
- Possesses an arse and BIG BOOBS to die for, AND
- Is making her BARE-ARSED DEBUT in Australian top-shelf magazines!

And here's what we DON'T know about Mica: EVERYTHING ELSE.

We have to confess the truth, readers: we couldn't track down the fresh-faced brunette for an interview before we went to press.

So we were unable to find out Mica's preferred tipple at the bar (and best hangover cure), what she looks for in men (hopefully, fat middle-aged Aussie journalists) and her fave physical feature (we assume it's her TITS, but we could be wrong. Maybe it's her EYES).

Anyway, we've run out of things to write, so we'll shut up and let you stare at Mica's amazing bits. We'll be doing the same thing.

ANIMAL and BOOB LOVERS will be touched to see the former Miss Great Britain and ex-Page 3 darling Leilani Dowding NIPPING OUT to take some doggies for a walk. CAN WE SEE HER BOX?

UNTIL we saw her holding the cards in between rounds at the Mayweather/McGregor boxing match, we hadn't heard of **Tawny Jordan**, either. We're stoked we saw her, though, 'cos it turns out she NUDED UP for *Supermodel Magazine*. Reckon you'd be up for a few rounds with her?

TEAM SPIRIT

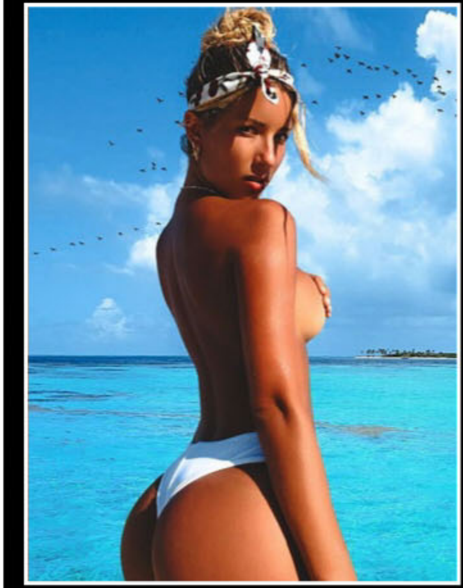
HAVING A BALL

HOLLYWOOD ledge Dwayne "The Rock" Johnson's telly show *Ballers* follows the behind-the-scenes adventures of Seppo football players. Which is exactly what you'd think: heaps of STRIP CLUBS and PROSSIES, like in these PART-WARMING grabs of **Cody Renee Cameron** (right) and **Phoenix Skye Fechter**.

SHARING THE LOVE

The freshest flesh on celebrity social media

WHEN she's not giggling like a stoned chipmunk at dumb people braining themselves on MTV's *Ridiculousness*, **Chanel West Coast**, 29, attempts to be a rapper. We'd be rapt if she just stayed naked.



IT'S easy to see why Instagram superstar and model **Sierra Skye**, 22, is so popular. We'd swim naked through a sea of glass and dirty needles just to sniff her bra strap!

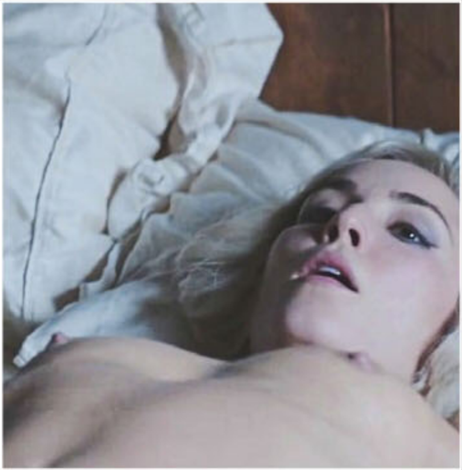
BLUE MONDAY

KNOWN for her roles in *The Girl With The Dragon Tattoo* and *Prometheus*, 37-year-old **Noomi Rapace** has a new film out. The Swedish glamma plays SEVEN IDENTICAL SISTERS in the sci-fi thriller *What Happened To Monday?*. We're not quite sure which sister gets nude, but.



PRETTY POISON

BORN in Windlesham, Surrey, **Emily Agnes** is a 25-year-old stunna revealing her TRIFFIC TATAS in the latest online issue of *Arsenic*. The Pomgolian model claims she was FLAT-CHESTED until the age of 18. Clearly, a lot has changed in the past seven years, readers.

AFTER a terrifying KIDNAPPING ordeal, we're thrilled to inform youse that Pommy pin-up model **Chloe Ayling** has bounced back by showing the world her BOUNCIES on social media.

The 20-year-old recently posted a BOOBALICIOUS BIKINI PIC on Instagram, thanking her fans for their

support, and stating she'd continue her glamma modelling career.

This followed an incident in Jul when Chloe was lured to Milan, Italy for a phony photo shoot. Instead she was kidnapped by a gang known as "Black Death" and held hostage f r several days.

The gang planned to sell her as a sex slave, but changed their min and let her go after learning she was a single mum. Several "Black Dea h" members were arrested soon afterwards by Italian police.

"I've decided to keep on doing what I love and not give up because o some evil people in the world," Chloe told Instagram followers. "Never take life for granted and be safe – the most terrible thing can happen when you least expect it."

The PLUCKY BLONDE has sinc sacked her agent, blaming him for not checking more thoroughly before setting up the modelling assignment.

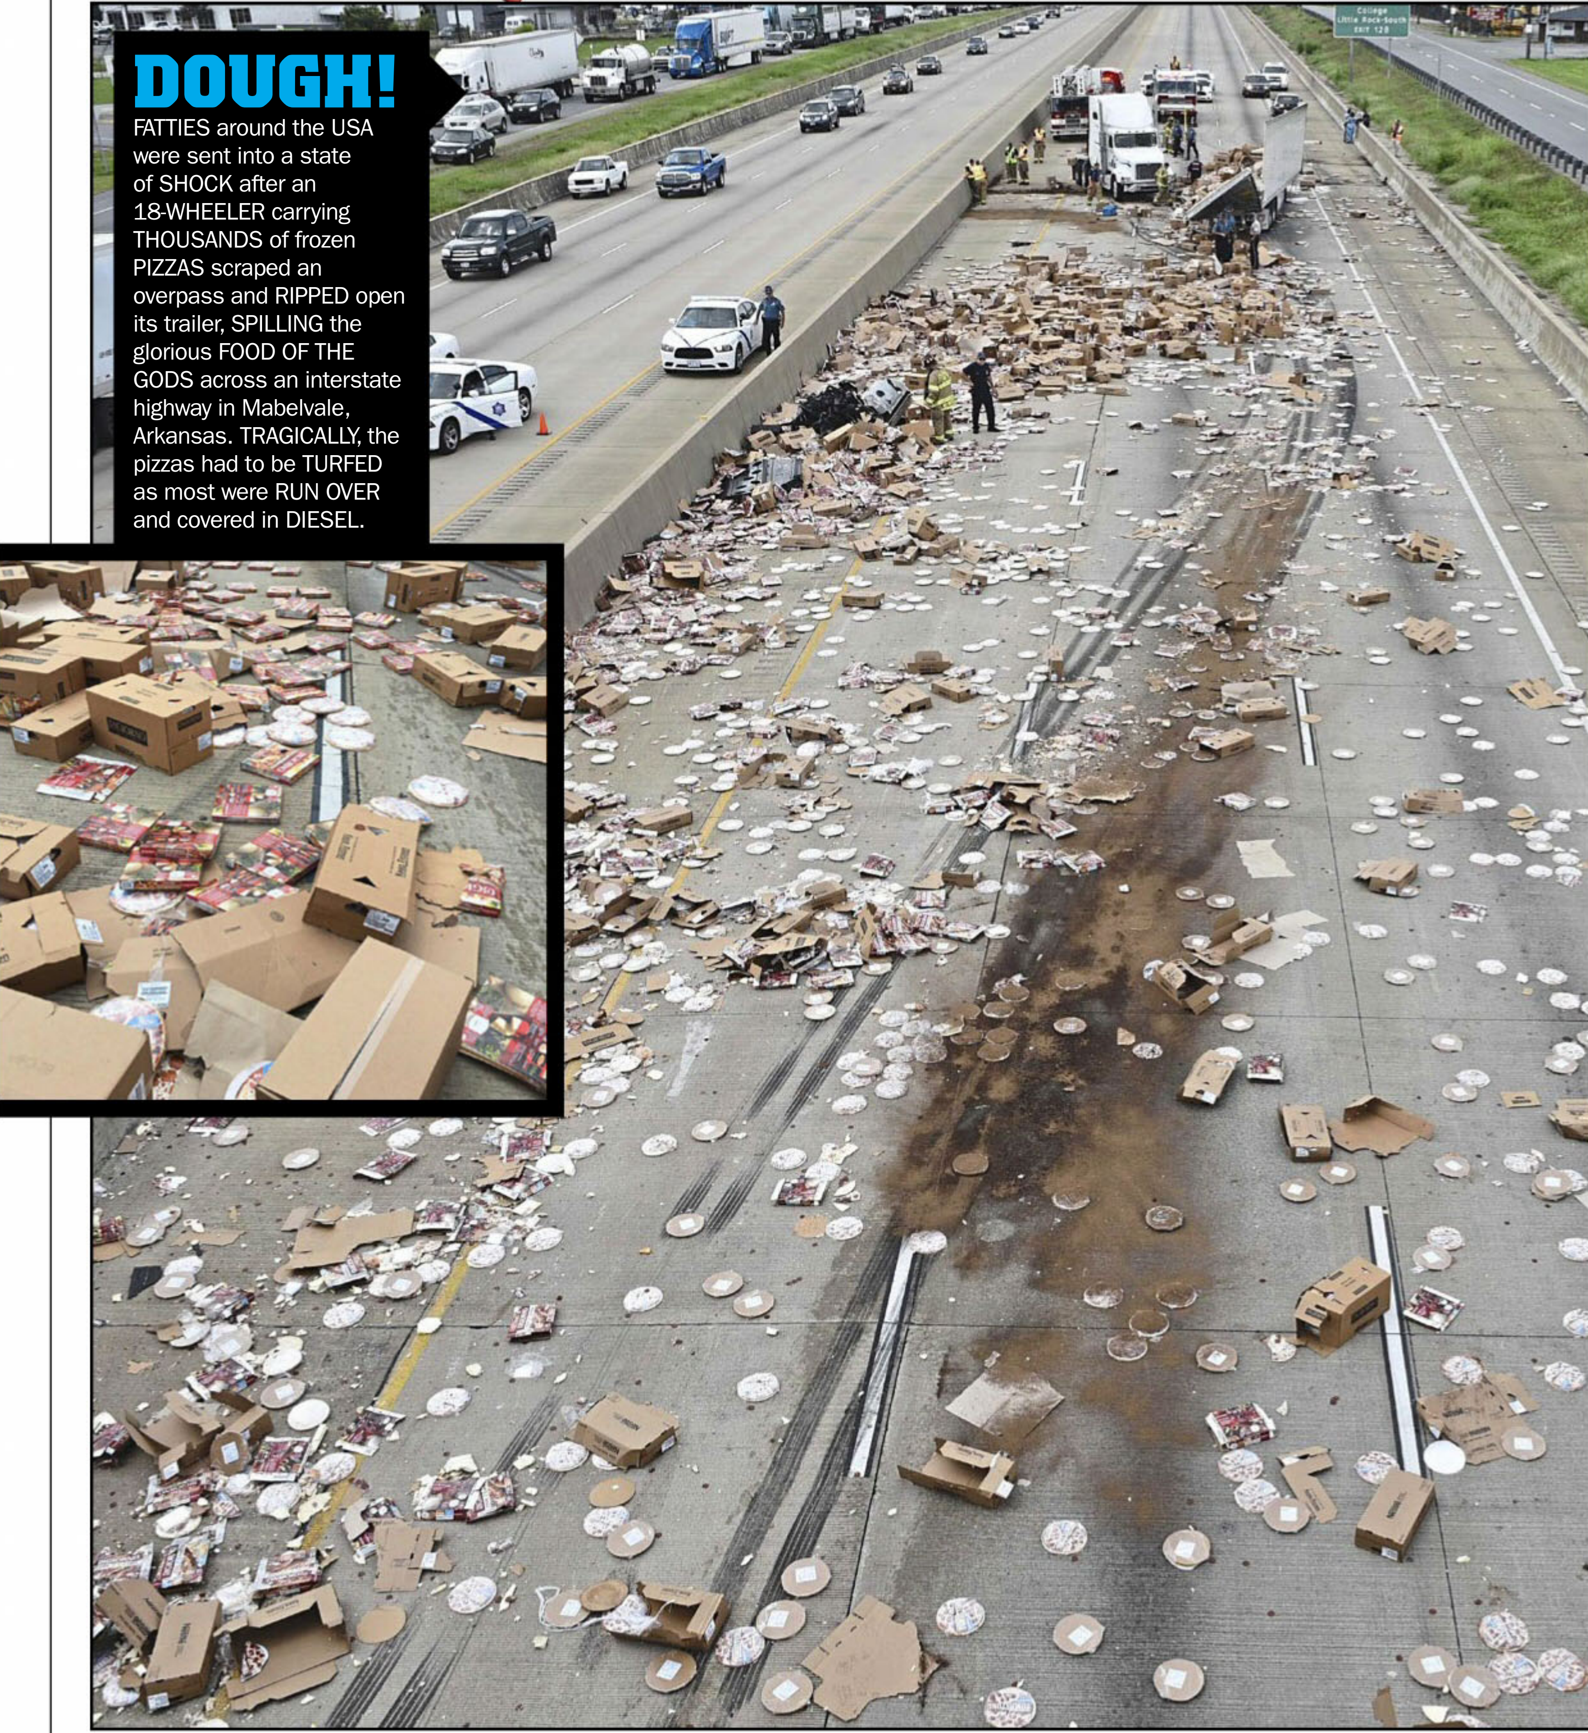
We don't blame Chloe o e bit – sending one of your models overseas to a group who call themselves "Black Death: Professional Kidnappers & Sex Sla e Gang" seems highly irresponsible.

NEWS TO US

Our fuckwit Bogdan presents another dose of weirdness

DOUGH!

FATTIES around the USA were sent into a state of SHOCK after an 18-WHEELER carrying THOUSANDS of frozen PIZZAS scraped an overpass and RIPPED open its trailer, SPILLING the glorious FOOD OF THE GODS across an interstate highway in Mabelvale, Arkansas. TRAGICALLY, the pizzas had to be TURFED as most were RUN OVER and covered in DIESEL.



A few tyre tracks and petrol wouldn't have stopped me... NOM NOM!

BLACK IS BACK

PORN star royalty Tori Black has returned to the jiz biz. The Seattle stunna quit in 2011 to raise a family but, with her sprogs in school, she's CUM out of retirement. Tori, 29, has dived TONGUE-FIRST into the X-rated scene and, naturally, her first fillum is titled *Tori Black Is Back*.

WATER HAZARD

A HERO in a Hyundai hatchback has taken on the CROC-INFESTED waters of Kakadu's East Alligator River and SURVIVED. As a saltwater croc about TWICE the size of the Hyundai Getz swam in front of it, the reliable rustbucket ploughed on through the Northern Territory's DEADLY Cahills Crossing and made it to the other side…SOMEHOW.

SICK KICKS

ALCOHOLICS working at ZE GERMAN shoemaker Adidas have come out with a shoe specifically built for MESSY Oktoberfest celebrations. The Adidas Prost doesn't just look good with a pair of LEDERHOSEN, it has a special plastic coating that makes the shoe resistant to PUKE and BEER. Cheers!

STEPPIN' OUT

WHEN big-busted **Alexis Fawx** (far left) and **Brandi Love** dumped their husbands and hooked up with EACH OTHER, they never thought their seemingly perfect relationship would eventually come crashing down and they'd wind up in SEX THERAPY.

Seems to us the best cure for what ails them isn't a shrink but, rather, a bit of therapeutic COCK.

Or, in Alexis' case, a spot of strap-on action with her son's girlfriend **Aria Alexander**!

But is it too little too late? Can MAN-MEAT save the not-so-happy couple's relationship? Or will it take an all-out ORGY to bring them together in orgasmic bliss? We suspect it might.

COPS & THROBBERS

WE ALL know policemen are COCKSUCKERS, but one former cop has employed that particular talent in a new career as a knob-gobblin' PORN STAR!

Brit **Zara DuRose** quit a life on the beat to assist her filmic fans to BEAT OFF. Yep, she's gone from PC to very un-PC!

The 27-year-old left the police force in 2012, because she reckoned her handcuffs could be used for more erotic purposes.

"I also work as a dominatrix when I'm not filming scenes," she laughed. "When I was a cop I used to rough up punters for fun, but now I get PAID to do it."

MODEL TITS

We rate the best racks state by state (and territory)!

AUSTRALIA produces the hottest chicks with the BESTEST BAPS in the world. Whether they're massive, perfectly pear-shaped and pendulous, natural or fake – we can proudly STACK OUR RACKS against the finest funbags around the world.

But does one state (or territory) produce more CHOICE CHEBS than others?

Who has a stranglehold on the honour of being the BOOBIEST IN THE LAND? We were keen to find out, so we researched the hell out of the subject till our trousers EXPLODED. Now, we're sitting TROUSERLESS at the laundromat, but as confused as ever.

So we'll let YOU decide, dear readers. Which state (or territory) rules in the dugs department? Check out these naked examples and let us know.

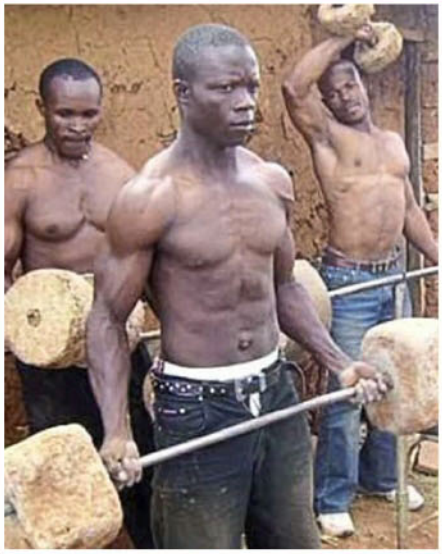
AFRICA!

Interesting place, but we wouldn't wanna live there



WE HAVE to confess we failed geography at school, readers, so we don't know much about **AFRICA**. We CAN tell you that it's pretty bloody big, it's full of elephants and lions…um, and The Phantom lives there.

But after we came across the pix in this spread, we suddenly know a whole lot more about the Dark Continent – and we can safely say it's FUCKIN' CRAZY!

From resourceful dudes playing pool on a homemade MUD table…to people taking their pet BABOONS and HYENAS for walks…to the punters finding A HUGE PYTHON having a nap on the dashboard of their car, Africa seems like the sorta place that's best observed from a distance.

No need for a steering wheel lock with this critter about

KNOCKER OFF!

BATTLE OF THE BOOBS

I HAVE got to disagree with your feature on Connie Carter (far left) having the best natural boobs in the world (Sept. 11). I reckon Viola Bailey (left) has the best 'cos she's a smaller chick and they look even bigger on her. Plus she has bigger nipples.

C-Bomb, Vic

They say boobies...er, BEAUTY is in the eye of the beholder. And if we got a chance to BE HOLDING either Connie or Viola's canned goods, they'd need to wear HAZMAT suits to stop all the jizz getting them pregnant.

MORE OF LA MOORE?

BAR UP!

AS I was checking my emails, I got sent this photo with the caption, "Comparing oranges with melons." I didn't find it that funny, but do you have any nudes of the chick? Her breasts are insane!

Buddy, WA

We do have nudes of her, Buddy old pal! Her name's Vixen La Moore and she's a 35-year-old who calls herself a "booby dancer" from California. Oh, and her bolt-ons are a 32FFF, by the way. Enjoy!

THINGS THAT LOOK LIKE GENITALS

"MY NAN said she picked these cushion covers up at Vinnies," chuckles **Rachel of Mordialloc, Vic.** "She said not to be disgusted by them, though, 'cos she put them in the wash before she used them."

Send your letters and pics to: The Keeper, c/- *Animal House*, *People* magazine, GPO Box 4088, Sydney, NSW 2001. Or email us at people@bauer-media.com.au (with *Animal House* in the subject line).

NIP, NIP, HOORAY!

UDDERLY UNREAL?

AFTER reading your thought-provoking article on who has the best natural breasts in the world (Sept. 11), it got me thinking – are Jordan Carver's milkers real? And has she ever shown the full goodies or is she a professional tease?

Do you want the good news or the very bad news, TF? The very bad news is Ms Carver's MAMMOTH MAMS are surgically enhanced. Not that there's anything wrong with that. The good news is we have the ONLY KNOWN PHOTOGRAPH of her nipple, from a ZOO magazine shoot she did in 2011. Yippee!

CANDY MAN CAN'T

BAD TASTE

PERSONALLY, I never quite got the whole "it's like taking candy from a baby" expression. With all the talk about diabetes and sugar being public enemy No. 1, those babies shouldn't have bloody candy in the first place!

WD, SA

We agree with you 100%. WD. Also, we've never understood the concept that "taking candy from a baby" means that something is easy. Have you ever TRIED to take candy from a baby? It's actually quite hard. The little pricks are strong!

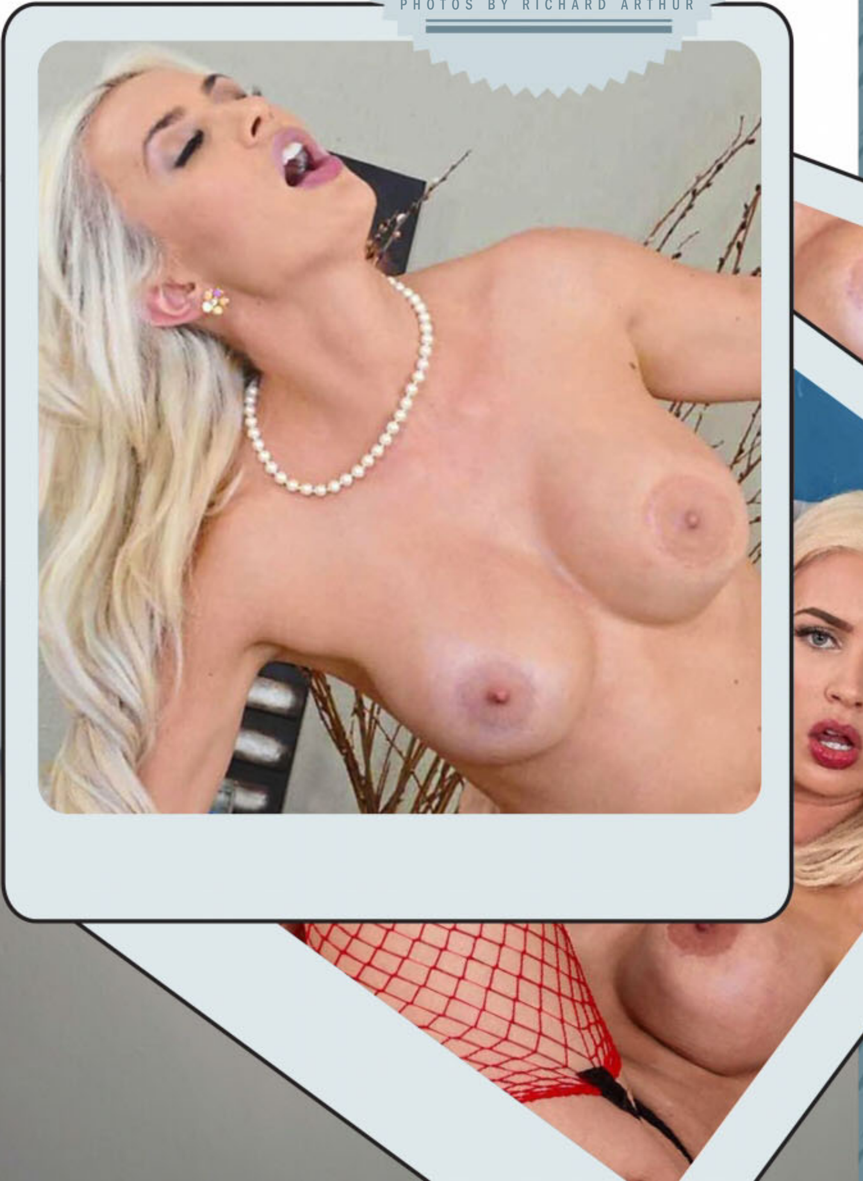
SINTROVERT

Aussie porn queen says she's a shrinking violet!

PHOTOS BY RICHARD ARTHUR



YOU always learn something new when chatting with the stunning, sexy and super-smart **Gigi Allens**. Like the fact she reckons she's the SHY AND RETIRING TYPE. Hmmmm...we've seen the in-demand Aussie porn starlet's movies and we find that assessment a bit hard to swallow. Not that Gigi has any problems SWALLOWING. Fnaaaaaarrrrr! ▶

‘MISSIONARY SEX HAS BEEN REALLY GOOD FOR ME LATELY’

HEY-HEY, Gigi! What's something about you that we'd never guess?
"I'm really, really SHY. Like crazy-shy. And I'm super-clumsy in my everyday life. If there's a set of stairs I'll fall down it. A crack in the pavement? I'll trip over it. You get the drift."

If you're SHY, then we'd never wanna meet an EXTROVERTED X-rated chick! They'd tear us apart! Erm...so what's happening with you?
"I've just returned from some amazing overseas work adventures in China and Europe. I wasn't shooting, but I was doing all kinds of other naughty things. I also got up to some mischief in Amsterdam ...those weed cafes are no joke."

How's the sex-life been?
"It's just dandy. I've met some really amazing people lately with GREAT SEXUAL ENERGY. But it has to be said that my one consistent sex partner is always MY VIBRATOR. Haha! It never lets me down."

Learned any new bedroom tricks?
"This might seem odd, but MISSIONARY SEX has been really good for me lately. I never used to cum like that, but now it feels good having someone on top... it could be a gal with A STRAP-ON, too. Haha! That said, I'm always a fan of doggy style."

How can a man please you best in bed, Gigi?
"Don't be afraid to EAT THE PUSSY, fellas. Why do so many guys get freaked out by that? My pussy tastes so good – I'd LICK IT MYSELF if I could."

What are your thoughts on the act of backdoor loving?
"Nothing beats a good anal orgasm. I love the feeling of a hard cock rammed deep in my butthole while I rub my clit."

Holey moley! Has anything funny ever happened during a root?
"I often get the GIGGLES really badly when I'm fucking...it's a little bit scary and Harley Quinn-esque. Aside from that, it's funny when guys pretend to cum. Like, why would you do that? A guy can't really fake that kinda thing."

What's next on the agenda for your adult fillum career?
"I want to let loose and get SUPER-FREAKY and dirty. Fingers crossed I find an agent who appreciates me for me."

Let us manage you, mate. We appreciate the fuck out of you.

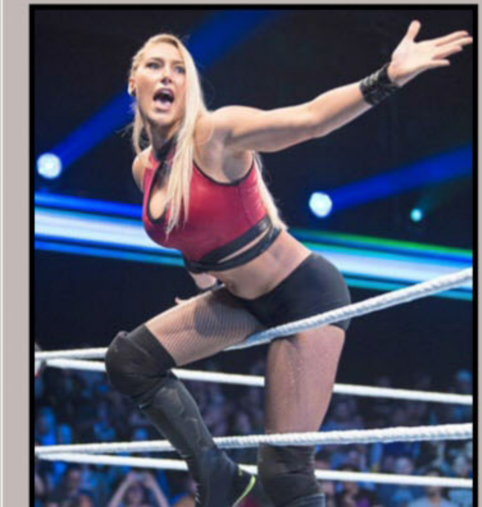
Two Aussie wrestlers take on the world's finest in the WWE

TWO of Australia's best professional wrestlers – Adelaide's **Rhea Ripley** (formerly known as Demi Bennett) and Queenslander **Toni Storm** – are currently wowing fans on WWE.com as they compete in the inaugural Mae Young Classic women's tournament. Both ladies have a lot in common: they're tough, talented and HYOOOOOOGE metal fans. We had the chance to talk to them about wrestling in the WWE and their love for head-bangin' RAWK!

RHEA RIPLEY

THE first time many fans are gonna see you will be online in the Mae Young Classic. How'd it go?
"It was a crazy experience. I was so nervous – the first time I was in front of the crowd was for the competitors' parade at the start of the tournament. When it was time for my match I was scared, on the brink of crying, but as soon as I stepped through that entranceway I went into 'Rhea Ripley mode' and I was like, 'I've gotta do this!'"

You now live in Florida and work for WWE's feeder group NXT. What qualities do you bring to that promotion?



"I treat the ring like it's a mosh pit. I rock out to my music, then I'll go in swinging and come out swinging like it's a 'wall of death' at a metal gig."

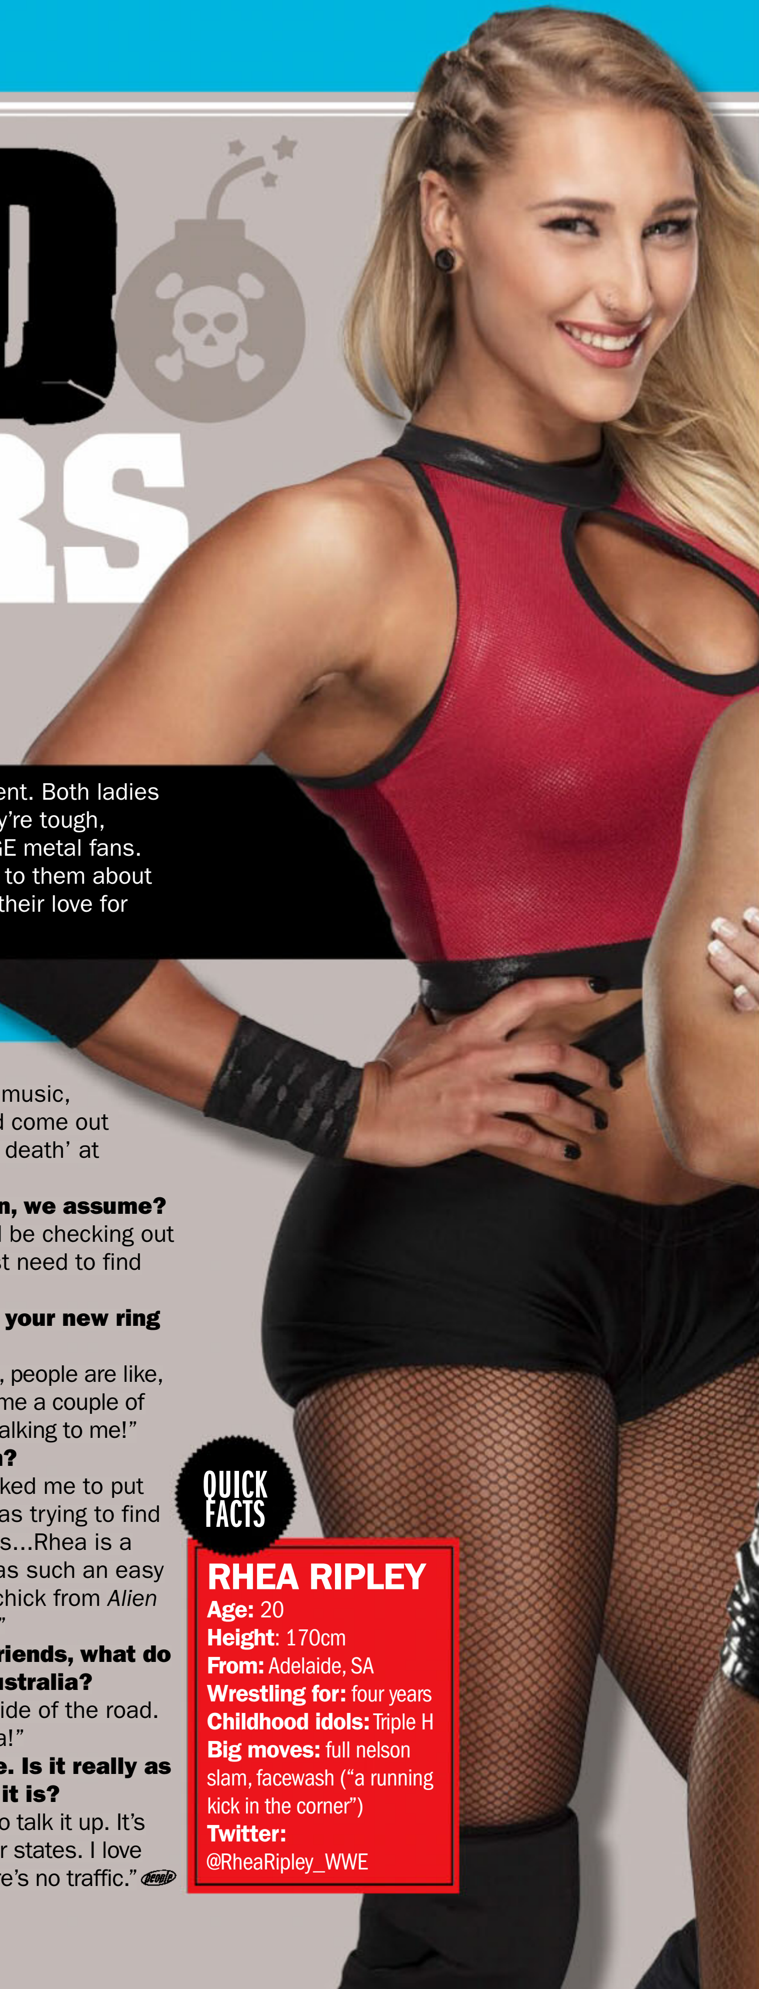
You're a heavy metal fan, we assume?
"I love my metal music. I'll be checking out a few gigs over here...I just need to find some time."

Are you getting used to your new ring name, Rhea?
"Haha. It's hard. At training, people are like, 'Rhea! Rhea!' and it takes me a couple of seconds to realise they're talking to me!"

What was the inspiration?
"WWE emailed me and asked me to put some names together. I was trying to find really strong female names...Rhea is a Greek goddess, so that was such an easy pick for me. Ripley is the chick from *Alien* and she's a total bad-ass."

Apart from family and friends, what do you miss most about Australia?
"Driving on the left-hand side of the road. It's so different here. Haha!"

You come from Adelaide. Is it really as RADELAIDE as they say it is?
"Haha. It's alright – we try to talk it up. It's quiet compared to the other states. I love the quietness and that there's no traffic."



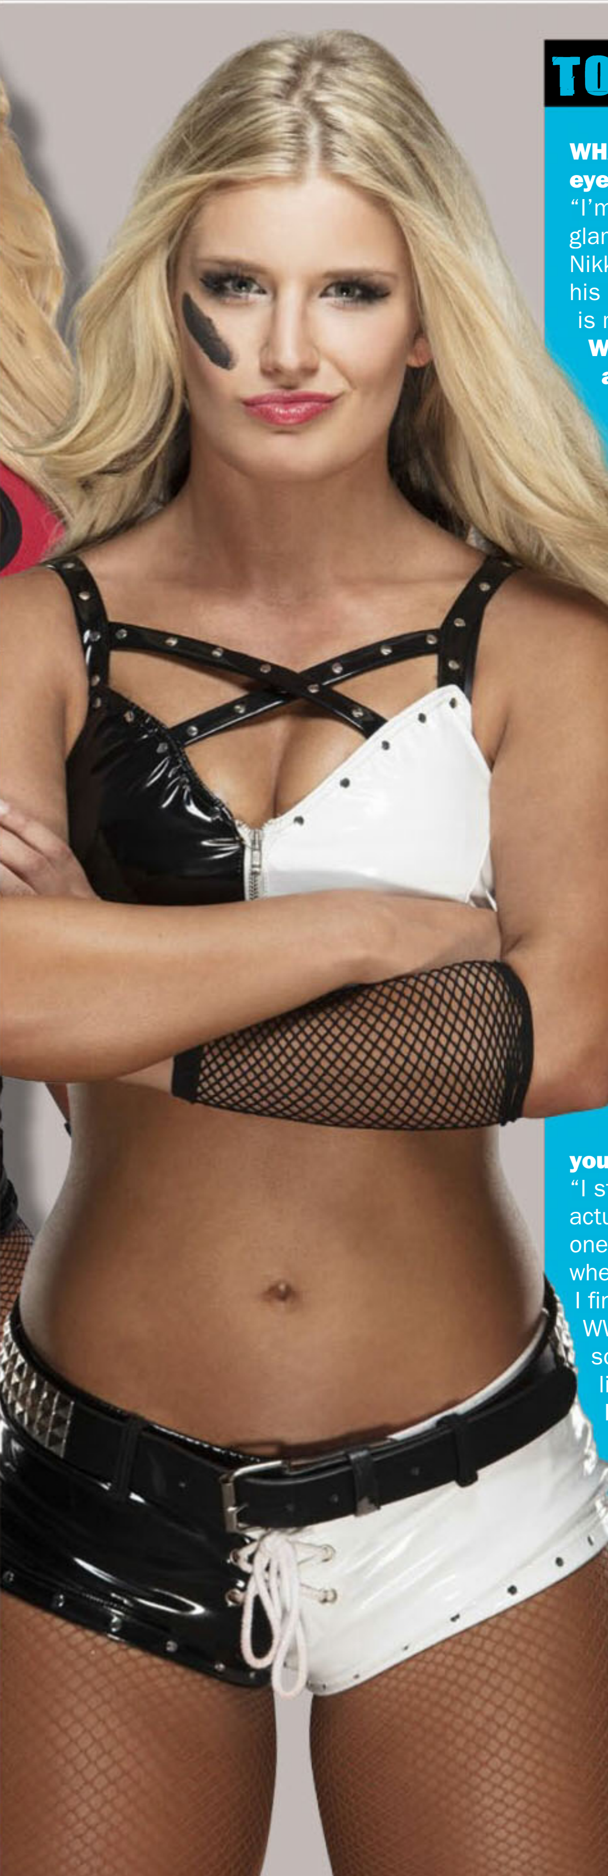
QUICK FACTS

RHEA RIPLEY

Age: 20
Height: 170cm
From: Adelaide, SA
Wrestling for: four years
Childhood idols: Triple H
Big moves: full nelson slam, facewash ("a running kick in the corner")
Twitter: @RheaRipley_WWE

ALL PHOTOS © 2017 WWE, INC. ALL RIGHTS RESERVED

THE MAE YOUNG CLASSIC is available on WWE.com. The final can be seen on Wednesday, September 13 at 12 noon (AEST).



TONI STORM

WHAT'S the black mark under your eye: an athletic thing, war paint, what?
"I'm a huge fan of Mötley Crüe and 80s glam metal. Mötley Crüe's bass guitarist Nikki Sixx always had the black line under his eye and I'm a Nikki Sixx fan, so this is my tribute."

We love the Crüe. Which of their albums would you recommend to people, Toni?
"They're just the best...I recommend absolutely every song. They're the gods of music for me. Haha!"

Apart from listening to glam metal, what else are you into outside wrestling?
"My life consists of just wrestling. If I'm not wrestling I'm in the gym, which goes hand in hand with wrestling. I socialise but that's with people involved in wrestling! It consumes my life."

How did your international experience – in Japan and the UK – help you in the Mae Young Classic?
"Heading into the tournament there were so many different people from different countries; I was able to adjust my wrestling ability to each style. I'm more well-rounded, so I could adapt easier to each opponent."

How did it feel the first time you hit the ring for the tourney?
"I still haven't accepted that it's actually reality. The whole thing is just one massive dream…'cos this is where I've always wanted to be and I finally got to walk out in front of a WWE crowd. You dream about it for so long, then you get there and it's like, 'Oh, this is really happening.' It's unbelievable."

Have you always been a fan?
"Yeah, I got into it when I was around 10. I started wrestling at 13, which was probably younger than I should have, in front of absolutely no-one. I really started from the bottom in an industrial shed in Queensland in front of four mums and dads."

So what's happening with you and NXT?
"I'm not currently signed. I was just over for the Mae Young Classic, but hopefully it leads onto something where I'm fulltime at NXT. That's the dream."

If you got signed, have you thought about any dream match-ups?
"Oooooh, that's difficult…but imagine being in there with Sasha Banks or Bayley, that would be something!"

Any final thoughts on the Mae Young Classic, mate?

Talk it out

A DRUNK was staggering along the side of the road at 2am when the coppers drove past and demanded to know what he was up to.

"It's fine, officers," he assured them. "I'm just off to a lecture."

"Who the hell gives lectures at this time of night?" asked one of the cops.

"My wife."

Josh, Qld

Ear muffs

A BLOKE came home early from work to find another man in bed with his wife.

"What the hell is going on?" he roared.

"I'm just listening to music," replied the fella, who had his head between his wife's big breasts.

The husband decided to check it out, so he pushed the other fella aside and stuck his head in his missus' cleavage.

After a minute he said, "This is bullshit, I can't hear a thing!"

"Of course you can't," grinned the other bloke. "You're not plugged in."

Finn, NSW

Stupid is…

DUMB Dave stormed into the pub one evening, scowling and eyeing up every bloke in the place.

"Alright, who was it?" he spat.

"What's wrong with ya, mate?" asked the barman.

"Me missus just gave birth to triplets," roared Dumb Dave, "so I'm looking for the other two pricks who fucked her!"

DJ, NSW

Suck it

THREE vampires walked into a vampire bar. The first vampire ordered a blood on the rocks, the second ordered a double shot of blood, but the third just asked for a mug of hot water.

"What's up?" asked the vampire bartender. "Why didn't you order a blood-based drink like your pals?"

The third vampire pulled out a tampon and grinned, "I just feel like some tea tonight."

Ant, ACT

Q. WHAT do you call a woman with a toothpick up her bum?

A. Olive.

Flower power

SEAMUS walked up to his girlfriend's front door, clutching a huge bunch of flowers.

He rang the doorbell, waited a few seconds, then his missus opened the door, saw the flowers and dragged him inside.

She lay back on the lounge, spread her legs, pulled her grundies to one side and said, "This is for the flowers!"

"Don't be silly," gasped Seamus. "You must have a vase somewhere!"

Tania, WA

Bad taste

A BLOKE was going down on a woman he'd picked up at the pub when he started gagging and looked up at her in disgust.

"For fuck's sake, what's that awful smell?" he asked

"I've got arthritis," she replied.

"What – in your cunt?" he asked.

Twin peaks

A GUY starts talking to two women in a bar and he can't help but notice that they're Siamese twins, Susan and Sally. They get on really well together and wind up back in his flat.

He makes love to Susan, then starts to fool around with Sally. He worries that Susan might get bored watching, so he asks her what she'd like to do to pass the time.

"Is that a trombone sitting in the corner?" she asks. "I'd love to play your trombone."

So he hands it to Susan and she plays a couple of old tunes while he bangs her sister.

A few weeks later, the gals are walking past his apartment building.

Sally says, "Let's go up there and see that guy."

"I don't know," muses Susan. "Do you think he'll remember us?"

LIL' JOHNNY was playing with his train set when his mother heard him say, "All you bastards getting off the train, fuck off. All you bastards getting on, fucking hurry up."

His mum was horrified. She sent him to his bedroom and told him to stay there for two hours and practise making polite passenger announcements.

When Lil' Johnny started playing trains again two hours later, his mother heard him say, "Those disembarking please mind the step and have a nice day. Those boarding, please enjoy your journey. Those upset at the two-hour delay, you can blame that fat bitch in the kitchen."

Bozo, Vic

First timers

A RELIGIOUS couple got hitched and, being virgins, had no idea how to consummate the marriage. The bloke snuck into the toilet and rang his dad for advice.

"Get naked and climb into bed," advised his father.

His new wife was confused when she saw him do this, so she snuck into the bathroom, rang her mother and asked her what to do.

"Get naked and get into bed with him," came the response.

They both lay there side by side for an hour until the bloke snuck off to ring his father again to ask what came next.

"Look at her naked body," his father said, "then take the hardest part of your body and stick it where she pees."

A few moments later the bride called her mother, weeping.

"What do I do now, Mum?" she asked.

"Well, what's the dopey bastard doing?" her mother replied.

"He's in the bathroom, dunking his head in the toilet."

Kane, NSW

Nightie night

SALLY decided to spice up her marriage and turn on her hubby. She took a nightgown that was cut high in the front and low in the back and wore it the wrong way round, exposing her chebs.

She wandered around all night in the back-to-front nightie but her bloke didn't even seem to notice. Finally, she said, "Honey, haven't you noticed anything different about my nightgown tonight?"

"Yeah," he grunted. "The shit stains are on the front now."

THE MUMMY

Universal Sony Pictures, rated M, out now, RRP: $39.95 (DVD)/$44.95 (Blu-ray)/ $49.95 (3D)/$54.95 (4K)
What's the guts? Digging up a sarcophagus in an Egyptian pyramid is never a good thing, especially in a horror movie. But Nick Morton (Tom Cruise) goes ahead and does just that, freeing the powerful dead Princess Ahmanet. Seems she was betrayed and buried alive, so she has a few bones to pick (beginning with her own). Now it's up to Nicky to stop the pissed-off princess before she destroys the planet.
Anything else? This film promises plenty of action, big explosions and camel spiders. Coooooool! There's also a great supporting cast including Sofia Boutella as Princess Ahmanet and Russell Crowe as Dr Henry Jekyll. *The Mummy* is the first in a series of movies that will reimagine classic Universal monsters and place them in a funky new "Dark Universe". Double coooooool!
Final word: Mummy's the word!

WIN!

WE ARE...ahem, WRAPPED to have been given FIVE DVDs to give away, courtesy of our bandaged buddies at Universal Sony. For a chance to win, **just tell us IN ONE SENTENCE something beaut about your mummy.** The five most heart-warming answers will score a DVD. Mark your entries "*The Mummy* comp".

WEIRD SCIENCE
COMPLETE COLLECTION SEASONS 1-5

Via Vision, rated M, out now, RRP: $129.95 (DVD)
What's the guts? Based on the cult 1985 movie directed by John Hughes, *Weird Science* (1994-98) is about two nerds who somehow create their dream woman, Lisa (Vanessa Angel), on their crappy home computer. Blessed with incredible powers Lisa can grant geeks Gary and Wyatt anything they want, although this inevitably leads to all sorts of problems. Watch the TV series and find out why one critic called it "one of the most dope, rad, illin' and choice shows to come out of the 1990s"... although the use of the word "rad" is unfortunate.
Anything else? Via Vision is to be commended for releasing this 14-DVD box set, containing all five seasons of the cult TV show. *Weird Science Complete Collection* has a ton of bonus features include audio commentaries. Grab some drinks and salt'n'vinegar chips and prepare for a hilarious sitcom marathon experience.
Final word: The science of laughter.

As the boss of Samantha X Angels, our heroine must deal with the INS AND OUTS of the sex industry (fnnnaaaaar!), learn how to handle her gals' quirky personalities and get a FIRM GRIP on a new lover who's known as MR BIG. It was over here that she decided to take a walk on the wild side by working in the sex industry. Yep, Oz has that effect on a lot of people. Tell us about your inkage.
"I started at 15. Every tatt has a story, whether I got them to rebel or for someone I love or to represent a moment."

The head tatt must get some comments.
"Hahaha…my forehead is one of the most commented-on tattoos. I waited four years to do it and don't regret it. It says 'family'."

Why did you go with that?
"I chose that word 'cos on the side of my face is 'rkett' and I thought I better make it up to my mother. People now know me as 'the girl in Adelaide with the face tattoo'. I like to think I'm making a lasting impression on today's society."

If a guy had the words "My Little Pony" tattooed on his penis, would that be a deal-breaker, Kody-King?
"No. I've always wanted a pony."

When did you last root in public?
“Me and my partner were at a house party that started to die off, so we ventured to the casino and one of my high heels broke. We ended up in the disabled bathroom attempting to fix the shoe…one thing led to another. The shoe never got fixed.”

Ever been caught?
“When I was a teenager, my mum came home to find me in the pool with a guy.”

Must have been a passion killer.
“For sure. I wasn’t allowed to have boys over for a few years after that.”

Where else have you done it?
“In a country town park. Another time we pulled off to the side of the road.”

ELLA | 23

Burleigh Heads | QLD

Ever done a drunken nude run, Ella? Or even a sober one?
“Both – it was in Straddie with my girlfriends from high school.”

Was it beaut?
“Yes, it felt so free.”

Who got to catch a look at your fine form, mate?
“A few houses in the same street.”

What do you like about your body?
“My natural big boobs…they’re 12F.”

Are you a fan of titty-fucking?
“Not really: it’s overrated. I prefer to have them held and nibbled.”

What else gets you off?
“Teasing the hell out of someone.”

What if they tease you as well?
“I always win.”

RUBI | 20

Other than the bedroom, where's the best place in the house to shag?
"It would have to be the shower, for sure."

Other than the house, what part of town is the best place for sex?
"I'd probably have to say anywhere cheeky where you could get caught. Like the casino or something."

Other than a vibrator, what object best gets you off?
"Detachable shower head, definitely. I like it 'cos the pressure is so good on my clit. I used to use one all the time, but I've moved since, which is a bummer."

Other than your vagina, where do you most like a guy to put his cock inside you, Rubi?
"Anal sex is always good. It gets me more hot than I already was."

What's the best thing about having great norks?
"They make every outfit look better and you always look good naked. Plus they're squishy, which is fun."

Who gets to squish them?
"Me, anyone I'm dating and all my friends when alcohol's involved."

Do you get to squish theirs, too?
"Yes, that's the best part about having female friends."

Ever done more than just squish boobs with your female friends?
"Yes. I'm bi, so I date women as well."

Compare gals and guys in bed.
"Girls feel softer, but I tend to go for dominating types with both men and women. I can never decide which I prefer, but I do love how big men's hands are… very good for spanking."

Don't stop there, mate.
"The contrast of a dominating woman's soft skin, curves and strength is really sexy. I enjoy both equally, but I love how different men's bodies are to mine."

EVER hooked up with someone while out on the job as a volunteer firey?
"One time we went to a farm near Bendigo to deal with a brushfire that was out of control. The farmer was a young bloke who got a bit flirtatious with me once we'd put it out. He invited me back to his place for dinner. But I wound up eating HIM instead."

What impressed you about this guy?
"I now know why they call farmers 'COCKIES'. His dick was at least nine inches long!"

Holy heck! Was that hard to handle?
"I've held a few giant FIREHOSES in my time, but this one was scary...in a good way. I got so wet when he first showed it to me."

Did he extinguish your BUSHFIRE?
"Oh, for sure. The sex was amazing, then he sprayed me with his FOAM when he pulled out. I was walking bowlegged for a few days after that!"

Are we tired of staring at this Muscovite's mams? Nyet!

IF YOU'RE fed up with seeing Russian President Vladimir Putin on the nightly news – shirtless and flashing his SAGGY TITS while WRESTLING A BEAR – then we present an alternative for you with **Marina Visconti**, a Russki native who NO-ONE would object to seeing TOPLESS. We could stare at the 22-year-old adult movie starlet's VODKA-ENRICHED VA-VOOMS every day of the week…and twice on Sunday, comrades! ▸

MARINA VISCONTI | 22 | MOSCOW, RUSSIA

FEMME FACTS

LIKE many of her fellow XXXsters, **Marina** and her 36C tatas broke into the biz to make MONEY: "Once I got in, I liked all these characteristics of expensive fun life that porn brings to you: nice cities, money, attention, parties. I wasn't in a rush to say bye to all of it." That's why she's still making it four years later!

ARE you impressed with your 36C plapps, Marina?

"Of course! Why wouldn't I be? Without them, I wouldn't have much of a career in adult films. Everybody adores my BIG BOOBIES, which is why I keep getting hired for scene after scene."

APART from the cash, what do you like most about being a porn star?

"I have a lot of sex…especially DOGGY-STYLE SEX, which is my favourite!"

You've had a lot of experience. Tell us, how can we get better at rooting?

"If you want to be a better lover in bed, focus on being seductive and hot. Avoid speaking too much about the relationship and stuff."

That's great advice! Do you have any favourite companies and co-stars you've worked with?

"Scenes with Brazzers and Hard X are my favourites. I enjoyed working with Bruce Venture, Prince Yahshua, Jon Jon, Rob Piper , Danny Mountain, Misha Cross… There are more performers, but I don't wanna make the list too long!"

Sexually, what's the difference between on-screen Marina and off-screen Marina?

"The main difference is that I actually like MONOGAMY. It's not my thing to have lots of partners!"

'EVERYBODY ADORES MY BIG BOOBIES'

Wow! There's a response we did NOT expect. What qualities do you seek in a boyfriend?

"I'm not fussed. He must be nice and funny. Honestly, looks aren't important to me."

As for the bedroom, where do you like a man to deposit his LOVE?

"I prefer classic sex with a man cumming in the place it is supposed to be!"

Your EAR? Haha…just kidding, mate. We assume you're talking about your vagina, right?

"Well, yeah. Obviously."

A TASTY TREAT

I RUN a hot food van near a pub and I always do a roaring trade on weekends. Pissed punters love a good greasy feed after closing time.

One rainy night, business was a bit slow and I was set to call it a night when I heard a voice say, "Hey, sweetie, can I have a hot dog, please?"

I looked over the counter and saw a DRUNK-AS BLONDE teetering on high heels and swigging from a wine glass.

"Did you steal that glass from the pub?" I asked.

"Yeah, don't tell anyone," she giggled. "Shhhhhh."

"Our lil' secret, darl. Hop in the van, so you can keep dry while I make your hot dog and…" I gave her a knowing wink, "…no-one will see you with your stolen goods."

I opened the door and the blonde staggered inside. I grilled a frankfurter and made small chat with my back turned to her.

"Would you like mustard or tomato sauce on that?" I asked.

She said nothing and when I turned round the blonde had her legs wide open and was DIDDLING HER MOOT.

She put down her wine glass and winked at me.

"Why don't you come over here and give me YOUR HOT DOG?" she groaned.

There was no passing trade and I wasn't going to turn down a free root, so I pulled down my strides and gave her my nine-inch BRATWURST…after pulling on a rubber first, of course.

'COME HERE AND GIVE ME YOUR HOT DOG'

"Mmmm…I like MUSTARD ON MY MEAT," she murmured after we'd fucked for 15 minutes.

"No worries, mate," I told her, then pulled out and blasted my COCKULAR CONDIMENT all over her snatch.

I wiped off my dick with a hot dog bun, slapped her frankfurter inside and handed it to her. She wolfed it down in two bites.

"I'll have to come back here next time I'm hungry," she said before exiting the van.

It took me five minutes before I realised she didn't even pay for the bloody hot dog!

LISA WITH THE LOT

MY GIRLFRIEND had never seen a porno but she was keen to check one out. I went through my stash and found a "couples-friendly" title starring one of my faves, Lisa Ann.

We settled back on the couch with our drinks and I barred up immediately when the star stripped nude in the first scene and PLAYED WITH HERSELF.

"If you're uncomfy, just undo your jeans," Mel told me.

My stiffie was in an awkward position, so I did. As Lisa Ann was joined by two hung studs in her bed, I noticed Mel's breathing was growing heavier and she'd snuck her RIGHT HAND beneath the waistband of her skirt. The scene was getting more full-on when Mel leaned over and passionately kissed me.

'MEL WAS KEEN TO SEE A PORNO'

"I can't wait anymore," she whispered fiercely. "Let's DO IT."

With that, Mel climbed on top, pulled her knickers to one side and plunged down on my PORK SWORD.

She was wet as hell, so it was real easy to slip deep inside her. Mel rode me hard and we both came together a few minutes later.

"So you liked the film, huh?" I grinned.

"Yeah, but I like fucking you more," Mel smiled, and I knew we had a loooong night ahead of us…

MEMORY DICK

I WAS managing a city pub one night for my boss – a good-looking blonde in her 30s – who had the night off. I was locking up the joint and tidying the boss's desk when I found a memory stick labelled "Private" next to her computer.

I plugged it in and within seconds, a CCTV video popped up showing my boss STARKERS AND SPREAD-EAGLED on the pool table while being ROOTED by some unknown punter.

He was giving her a real hammering as she hung off the edge of the table, her fingers digging into the middle and corner pockets so she wouldn't slip off.

I sat back in the chair, undid my fly and started TOSSING OFF, imagining it was me giving her my fuck-stick.

'MY BOSS HUNG OFF THE EDGE OF THE POOL TABLE'

When the bloke in the video blew, he stayed inside my boss while they both bucked and writhed in pleasure.

He then pulled out and, as I watched his spoof ooze out of her, I felt a familiar tingle in my my swollen balls.

My man-paste shot out and SPLATTERED across the boss's table…just at the moment she walked through the door.

"I know it's my night off, Doug," she said blithely, "but I came in to check on how things were going…OH!"

She looked at me in horror, as my rapidly wilting dick shrank into my guts.

She then saw the puddle of spoof on her table and heard her orgasmic groans coming from the computer.

And that was my last night working at that pub.

TURNED STRAIGHT

I WAS holidaying in Bali and hanging out at a pool bar with mates. We started chatting up this group of gals from England.

I was closest to this fit blonde with short hair and a compact pair of TITS that I couldn't stop staring at. I think she noticed, because she brought up the fact she was a LESBIAN.

I thought that meant I was no hope… but after a few more drinks she asked if I wanted to see her room before we all went somewhere else.

When we got to her room, she pounced on me, kissing and running her hands all over me. I undid her bikini top and began to KISS her perfect PUPS and tiny NIPPLES.

She grabbed my aching THROBBER and panted, "Bloody hell! I haven't felt one of these in ages!"

I pulled off my shorts and showed her my ANGRY DRAGON.

She looked down lovingly and gave it a friendly TUG.

"Let's go, spunky," I said, as I bent her over and slid into her.

Before we knew it, I was BANGING AWAY like a champion while fondling her TIGHT ARSE.

'I KISSED HER PERFECT PUPS AND TINY NIPPLES'

My new best friend loved the cock! She climaxed so hard, her whole body QUIVERED like a giant HUMANOID VIBRATOR. She lost control of her legs and I had to hold her hips up as I finished my business inside her with a final few THRUSTS.

"Holy leaping lizards!" she snapped. "I'm not on the pill!"

Apparently, we'd both forgot she was gay. Luckily, she didn't get pregnant.

"I've always had a thing for Nina Hartley's butt. She's an old-school porn star who's still going today – and her ass still looks great!"

What's the best thing to wear to accentuate your butticular curves?
